These preliminary figures are for situational awareness and trend purposes only. They are not official RCPD statistics, are subject to revision, and may not reconcile with other sources due to classification differences, evolving boundaries, and reporting methods. Not UCR or 'crime rate' numbers, they detail all violations within reported cases, [attempted & committed](#). Accuracy is influenced by data processing, query timing, and potential for initial underreporting due to pending case finalization. - Call Type and Crime Type are based on separate classification systems and do not directly correspond
